the fact are not easily extively cruel and unjust, and would be Japan's attitude towards the new deeply shough silently resented as American enterprises in China and The kidneys are the scavengers and

ful run in recent years I have such.

Open up a Health Account by eating foods that make you fit for the day's work without overtaxing the stomach, kidneys or liver. The continued eating of indigestible foods with large percentage of waste means diseased livers and poisoned intestines. Keep your stomach sweet and clean and your bowels healthy and active by eating Shredded Wheat Biscuit. It is easily digested. It contains all the material needed for the nourishment of the human body. Open a health account for you to draw upon. For breakfast or any meal with milk or cream. Made at Niagara Falls, N. Y.

Distriction of the second seco Be sure to see our suits at \$25

The values will surprise you

The merchandising power of Just this store is constantly directed toward buying reliable goods at as low cost as possible. The result is very apparent in the remarkable values we have in women's suits at \$25.

> The styles are smart, yet sensible and practical, and there is a better variety than you would scarcely hope for at any one price.

One is of navy blue serge with plain-tailored, double-breasted jacket in belt effect. The skirt is a plain flared model with pockets, girdle and gathered back, \$25

Another pretty model is in black French serge. The jacket is pleated from yoke to waist has a narrow strapped belt and a large collar that can be fastened high at the neck. The skirt is triple pleated and has Third floor.

Phipps' millinery

For street and dress wear

During the past few days a number of exclusive styles from Phipps — the famous New York milliner -have been received.

These are chiefly tailored and semitailored styles, such as women want for street, motor and semi-dress wear.

The shapes are many and varied. Some have narrow brims, others with high crowns, while still others have wide brims.

Ribbons are extensively used, and many are ornamented with small flowers and feathers. The styles are exclusive, and will not be seen elsewhere. \$9 to \$18.

Opening of shoes continues tomorrow

Shoes exhibited on live models As a special feature of the Footwear Opening, each afternoon from 3 to 5, shoes are being exhibited on live models in one of our show windows. This will enable you to see how the new footwear appears, how it fits, and will give you a better idea of Spring. The new footwear is colorful in effect, graceful and stylish in appearance. Both button and lace shoes and pumps shown in plain leathers
